Subject Response to FWS letter re Richardson Flats to Diane
Nielsen?

Hi Mo-

I am writing to ask if Diane Nielsen ever responded to the letter regarding co-trusteeship at the Richardson Flats site that was sent by the FWS Regional Director, Mitch King, acting as the NRD Administrative Official, to Diane in her role as designated Trustee for natural resources of the State of Utah? This letter was sent to DEQ several months ago, and it is important for us to receive a response to this inquiry in order for us to make decisions about this case.

I have checked our incoming mail files and could not find any record of receiving a letter. If one was sent, could you please let me know, and also please provide me with a copy of the letter (either mailed or emailed). If Diane has not replied to this inquiry, we would very much appreciate receiving a response as soon as possible; ideally by December 15, 2006.

please feel free to give me a call if you have any questions or if you can't find a copy of the letter from Director King to Diane.

thanks, and happy thanksgiving-
Chris
